INFORMATION FOR THE USERS OF THIS REPORT

ABC Weekly Newspaper FAS-FAX reports are published semiannually in April and October.

This FAS-FAX report is an exclusive listing of ABC weekly newspaper members in the United States and Canada, the latest circulation figures as filed with the Audit Bureau, and circulation for the comparable period last year. If there is an adjustment of two percent or more between the publisher's figures and the auditor's findings, and/or at the publication's request, the previous year comparison figures shown in FAS-FAX are adjusted to the auditor's findings (see note on symbols).

Current circulation figures contained in this FAS-FAX report are shown as filed with the Audit Bureau of Circulations for release in regular Publisher's Statements and, like the statement, are subject to audit. Additional detailed information for each listed weekly newspaper is contained in its Publisher's Statement and Audit Report.

INFORMATION FOR THE USERS OF THIS REPORT

ABC Weekly Newspaper FAS-FAX reports are published semiannually in April and October.

This FAS-FAX report is an exclusive listing of ABC weekly newspaper members in the United States and Canada, the latest circulation figures as filed with the Audit Bureau, and circulation for the comparable period last year. If there is an adjustment of two percent or more between the publisher's figures and the auditor's findings, and/or at the publication's request, the previous year comparison figures shown in FAS-FAX are adjusted to the auditor's findings (see note on symbols).

Current circulation figures contained in this FAS-FAX report are shown as filed with the Audit Bureau of Circulations for release in regular Publisher's Statements and, like the statement, are subject to audit. Additional detailed information for each listed weekly newspaper is contained in its Publisher's Statement and Audit Report.
